Dear David Hume,

Regarding the "contribution" to Victory 96. Victory 96 is a fundraiser that the state party had and we made a contribution to that event. Victory 96 is "not" a PAC.

The Column B figures have been corrected.

As for the contribution from The Geon Company, PAC. We reported receiving this contribution and filed it under a 48 hour notice. As I was looking into to this matter it is my understanding that we did not receive a contribution from "The Geon Company, PAC" I apologize for this error I can't understand why it was reported as being received.

As always if you should have questions please contact  
Russell Roberts.

Sincerely,

*Russell Roberts*
